DATE/Num of Meals

ANY student that is going on site to do schooling is being offered a grab and go lunch on Fridays. Each student account will be charged for each meal received according to the students lunch status (free/reduced/full pay). A menu will be handed out at the same time as the forms. Please look through the menu and mark what Fridays your student(s) will be eating. These forms need to be turned into the school cafeteria by the 26th of each month prior to the month of meal service. If you do not turn in this order with the student name/grade no meal will be provided. This is to help make sure that every student that wants the meal will receive the meal. If you have any questions or need to cancel an order, please call your school.
