

Immunization Requirements

7th Grade Entry 2010-2011

In order to attend the 7th grade, a student must have proof of receiving the following immunizations:

***1 Tdap or Tetanus (Td)** (in the past five years)

***1 Varicella (chickenpox)**

*Previous history of chickenpox is OK; parent must sign verification statement on school immunization record

***3 Hepatitis B** (most children have had these)

*This is in addition to other immunizations which should have already been completed (i.e. MMR, Polio).

**Your 7th grade student will not receive a schedule in the fall or be allowed to start school without these immunizations.

An appropriate Utah Department of Health Exemption form must be completed for those children who claim exemption to immunization for medical, religious or personal reasons.
