

# Uintah School District

“Success for Every Student”

**Mission** • Uintah School District students will acquire the critical skills and attributes of a productive citizen.

**Vision** • As a learning community, we advocate for all students, provide quality education, and prepare our students for success now and in the future.

**District Goals**

- Increase every student's learning
- Ensure physical and emotional well-being.
- Create a positive school and district culture.
- Improve public support and confidence.
- Ensure financial responsibility.
