

Uintah School District Internet Responsible Use Agreement

In order to further educational goals and objectives, Uintah School District (USD) provides students with personal computing devices and access to the Internet. USD believes that having access online resources that are available on the Internet are vital to educating students. USD also recognizes inherent risks associated with online access, including intentional or unintentional access to inappropriate content which could be harmful or illegal. While USD provides safeguards to restrict inappropriate access, it is impossible to control all network activity on a global network. Therefore, USD has adopted policy [010.0600](#) to provide guidance related to acceptable online behavior. In addition to abiding by this policy, students agree to the following:

- I will keep my login and password private and only share it with teachers, school officials, and parents/guardians
- I will only use the login and password provided to me, and will not attempt to login as any other person
- I will use appropriate language in all digital products and communication
- I will not give any personally identifiable information about myself or others to anyone online, including name, address, phone number, gender, etc.
- I will not use any articles, stories, or other works I find online and pretend it is my own
- I will not make use of materials or attempt to locate materials that are inappropriate in a school setting, or that may offend others
- I will locate and use only school appropriate content in my digital work
- I understand that my computing device is subject to inspection at any time without notice and remains property of Uintah School District
- I agree to return my computing device and all of it's peripherals in good working condition

Parent / Guardian Agreement

- I will be responsible for monitoring my child's use of the Internet while he/she is not at school, and that my child's use of the school's network and device may be monitored for compliance with school policies and applicable laws
- I acknowledge that my child and I are to follow the expectations outlined in board policy [010.0600](#)
- I acknowledge that my child will have access to web-based tools, digital resources and applications that support curricular objectives, and those online services may collect, use, and disclose personal information (such as names and email addresses), but only for the use and benefit of the school for the purpose of student learning
