Specific Description of Information

All pertinent information related to diagnoses of and treatments for _____
_____ [physical/mental
health conditions] from _____ [date] through _____ [date].

Scope of Authorization

I authorize and direct you to discuss my health information with and to permit the examination and copying of related documents if requested by [Agency/School District/Higher Education Institution]. You are also authorized to disclose related health information at my request from time to time without the need for another formal authorization.

Alcohol/Drug Abuse Records

I understand that, if relevant, this consent is sufficient to include disclosure of ALCOHOL AND DRUG ABUSE records, IF ANY, which are protected by the provisions of Federal Regulation 42 CFR Part 2. This consent is premised upon the requirement that all disclosures of alcohol and drug abuse records, if any, made pursuant to this authorization shall be accompanied by the following notice:

NOTE: This information has been disclosed to you from records whose confidentiality is protected by Federal Law. Federal Regulation (42 CFR Part 2) prohibits you from making any further disclosure

Genetic Information Nondiscrimination Act (GINA)

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers and other entities covered by GINA Title II from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by this law. To comply with this law, we are asking that you not provide any genetic information when responding to this request for medical information.

"Genetic information," as defined by GINA, includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services.

Purpose of Requested Use and Disclosure

To assist me and my employer in the evaluation of my personal health conditions and their impact upon my ability to perform the essential functions of my job with or without a reasonable accommodation in accordance with the Americans with Disabilities Act.
