

Setting Up a Testing Session Appointment

1. Go to www.pehp.org and click on Member Login if you currently have a PEHP account and follow steps 3 through 7. If not, click on Create Your Personal Account and follow step 2.

2. To set up an account, enter the required information in the following fields.
NOTE: Spouses must have their own account to schedule a testing session. They can do so by calling PEHP at 801-366-7555.

Adult dependents over age 18: You can create your own individual online account. Once created, you have the option of either sharing your personal health information with the primary account holder or preventing the primary account holder from reviewing much of it, such as claims details and biometrics, without your authorization. Call PEHP at 801-366-7555 or 800-765-7347 to set up your individual online account and let us know which privacy option you want.

A screenshot of the "New Account Setup" form on the myPEHP website. It includes fields for "Social Security Number" (with a placeholder "Please enter SSN"), "Date of Birth" (with a placeholder "Please enter Date Of Birth"), and "PEHP Subscriber Id" (with a placeholder "Please enter Subscriber ID" and a "What's this?" link). There is also a link "Don't know what your Subscriber ID is?". At the bottom are "Next" and "Cancel" buttons.

Follow the remaining steps now that your account is created.

3. Enter your User ID

A screenshot of the "Member Login" page. It has a "Member Login" heading and a field for "Enter your User Id" with a placeholder "Please enter myPEHP User Id" and a "Forgot" link. Below the field is a link "Click here to create a new myPEHP account." and "Cancel" and "Submit" buttons.

4. Security Question

A screenshot of the "Security Question" page. It asks "In what city or town was your first job?". There is an "Answer" field with a placeholder "*****" and "Cancel" and "Continue" buttons. A note at the bottom says "Answer is NOT case-sensitive."

5. Password

A screenshot of the "Enter your password" page. It has a "Forgot" link and a password field with a placeholder "*****". There is a "Remember this PC" checkbox and "Cancel" and "Login" buttons. At the bottom, there is a warning: "After five unsuccessful log in attempts, your account will be locked and you will need to contact the Customer Service Line: 801-366-7503 or 800-753-7703. Password is case-sensitive."

6. On the left hand side of the webpage, click on Register for Testing Session

7. Browse by Month or City to find the testing sessions available. Select the time that is best for your schedule.
